Projects

Application for College Attendance System

SGGSIE&T College

Dec 2024 – May 2025

Nanded, Maharashtra

- Developed a web-based college management application to streamline attendance and academic processes for students and faculty. The system provides features such as attendance management, academic record access, exam-related services, and report generation through a secure and user-friendly interface.
- **Tech Stack:** React.js, Node.js, Express.js, MySQL, JWT, REST API.

Smart Resume Collection and Filtering System

SUNHACK-2023

Apr 2023

Nashik, Maharashtra

- Developed a web-based resume management system to collect, parse, and filter resumes based on job requirements. The system helps in automating resume screening by extracting text from resumes and matching them with job descriptions for efficient shortlisting.
- **Tech Stack:** Node.js, Express.js, MySQL, REST API, Gemini API, OCR

Technical Skills

Programming Languages: Java, C++, C, SQL, JavaScript, Shell Script

Technologies & Frameworks: MySQL, React.js, Node.js, Express.js, RESTful APIs, HTML, CSS, DevOps

Concepts: OOPs, Data Structure, DBMS, Operating Systems, Linux (Ubuntu)

Soft Skills

Communication | Teamwork | Problem Solving | Time Management | Leadership

Position of Responsibility

Executive of Placement Drive

Training and Placement Cell, SGGSIE&T

Aug 2023 – Aug 2024

Nanded, Maharashtra

- Led the **TPO**, managed end-to-end company placement drives, coordinated planning activities, and facilitated communication between students and recruiters.
- Utilized **ERP software** like **Superset** for managing and analyzing company recruitment data and student profiles.
- Successfully coordinated **50+ placement and internship drives**, resulting in **344+ student placements**.
- Developed and maintained strong relationships with recruiters, improving overall placement opportunities for the institution.
- Led a **team of 25+** student coordinators while mentoring junior students for professional and communication development.

Co-Founder and Event Coordinator

SWAG (SGGS Web App Graphics) Club

Jan 2023 – Aug 2024

Nanded, Maharashtra

- **Led** the team and **organized events** like workshops and **State Level hackathons**, with over **150 teams**.
- **Secured sponsorships** from companies like **Iauro, Delighteck, and Tezos** to support and promote club initiatives.
- Built a strong foundation for the club's **sustainability** by creating **collaborations with industry experts** and organizing recurring events.
- Managed a team of developers to build **software tools** and improve their coding skills.
